

# **Les Amies Dance Club**

## **Covid-19 Safety Protocols**

**October 2021**

### **Know Before You Go**

Your safety is our concern. We all understand that there is an inherent risk to COVID-19, for exposure exists in any place where people gather. Therefore, we will be respecting government and venue safety protocols. The following measures will be put in place to mitigate the risk of spread of Covid-19.

You are encouraged to conduct self-health screening prior to attending the event to mitigate the risk of the spread of COVID-19. Refrain from attending the event should you have symptoms consistent with COVID-19, have tested positive for COVID-19 or have been in contact with a case of COVID-19 and to follow Alberta Health guidance for self-isolation or quarantine as applicable

#### ***A Questionnaire to be filled out at the dance will include:***

COVID-19 related health protocols may include (but not limited to) confirmation of prior travel to restricted areas and/or confirmation of no known symptoms of and exposure to COVID-19.

#### ***Safety measures at the Ukrainian Youth Unity Center (UYUC):***

- UYUC is implementing ***the Restrictions Exemption Program***. Attendees will be required to provide their paper or digital proof of vaccination status, along with photo ID, to attend our dinner and dance events.
- Masking is mandatory throughout the whole building (**even when dancing**) except when seated at your table to eat or drink. If we do not comply, we could be fined.
- Staff are fully vaccinated and wear masks.
- The buffet table is fitted with plexiglass. Servers wear gloves when serving you at the buffet line.
- Seating will be limited to 6 people per table and the tables will be distanced according to Alberta Health protocols.

**Given the ever-changing landscape of the pandemic, health and safety protocols may change based on the evolving recommendations of health and government officials.** Other COVID-19 related health protocols may be in effect at the time of an event. These health safety protocols are critical for safety. For that reason, any ticket holder who does not follow any of these COVID-19 protocols may be asked to leave the event, and their ticket will not be refunded. If you have accessibility questions or need additional assistance related to the venue's COVID-19 policies, please email [memberships@lesamies.ca](mailto:memberships@lesamies.ca) Please refer back to the Les Amies website for the most current information. Updates will also be sent to ticket holders prior to the event.
